PROFILE

Passionate and driven **Full-Stack Developer** with a strong command of both front-end and back-end technologies. Fluent in **TypeScript** and **Python**, I bring a versatile skill set to the table, enabling me to create dynamic and efficient web applications. My expertise lies in crafting seamless user experiences, writing clean, maintainable code, and solving complex problems with innovative solutions. With a focus on continuous learning and a deep love for technology, I am dedicated to delivering high-quality software that exceeds expectations.
